Dispenser

Tork Matic is a portion controlled, mechanical hands-free dispensing system for roll towels that provides hygienic dispensing without the need for handles or levers. The user touches only the towel needed - reducing the risk of cross-contamination. Reliable and durable, Tork Matic delivers one towel, time after time, always ready to service the next patron. Tork Matic is the ideal dispenser for high traffic restrooms in office and public buildings as well as industrial, healthcare and food service settings.
