

Infinity

DECORATIVE WASTE CONTAINERS

Infinity: A Breakthrough First Impression

9W38 Square Dome Top & Base Kit with 9W50 35 GAL Perforated Panels, shown in standard Bronze finish.

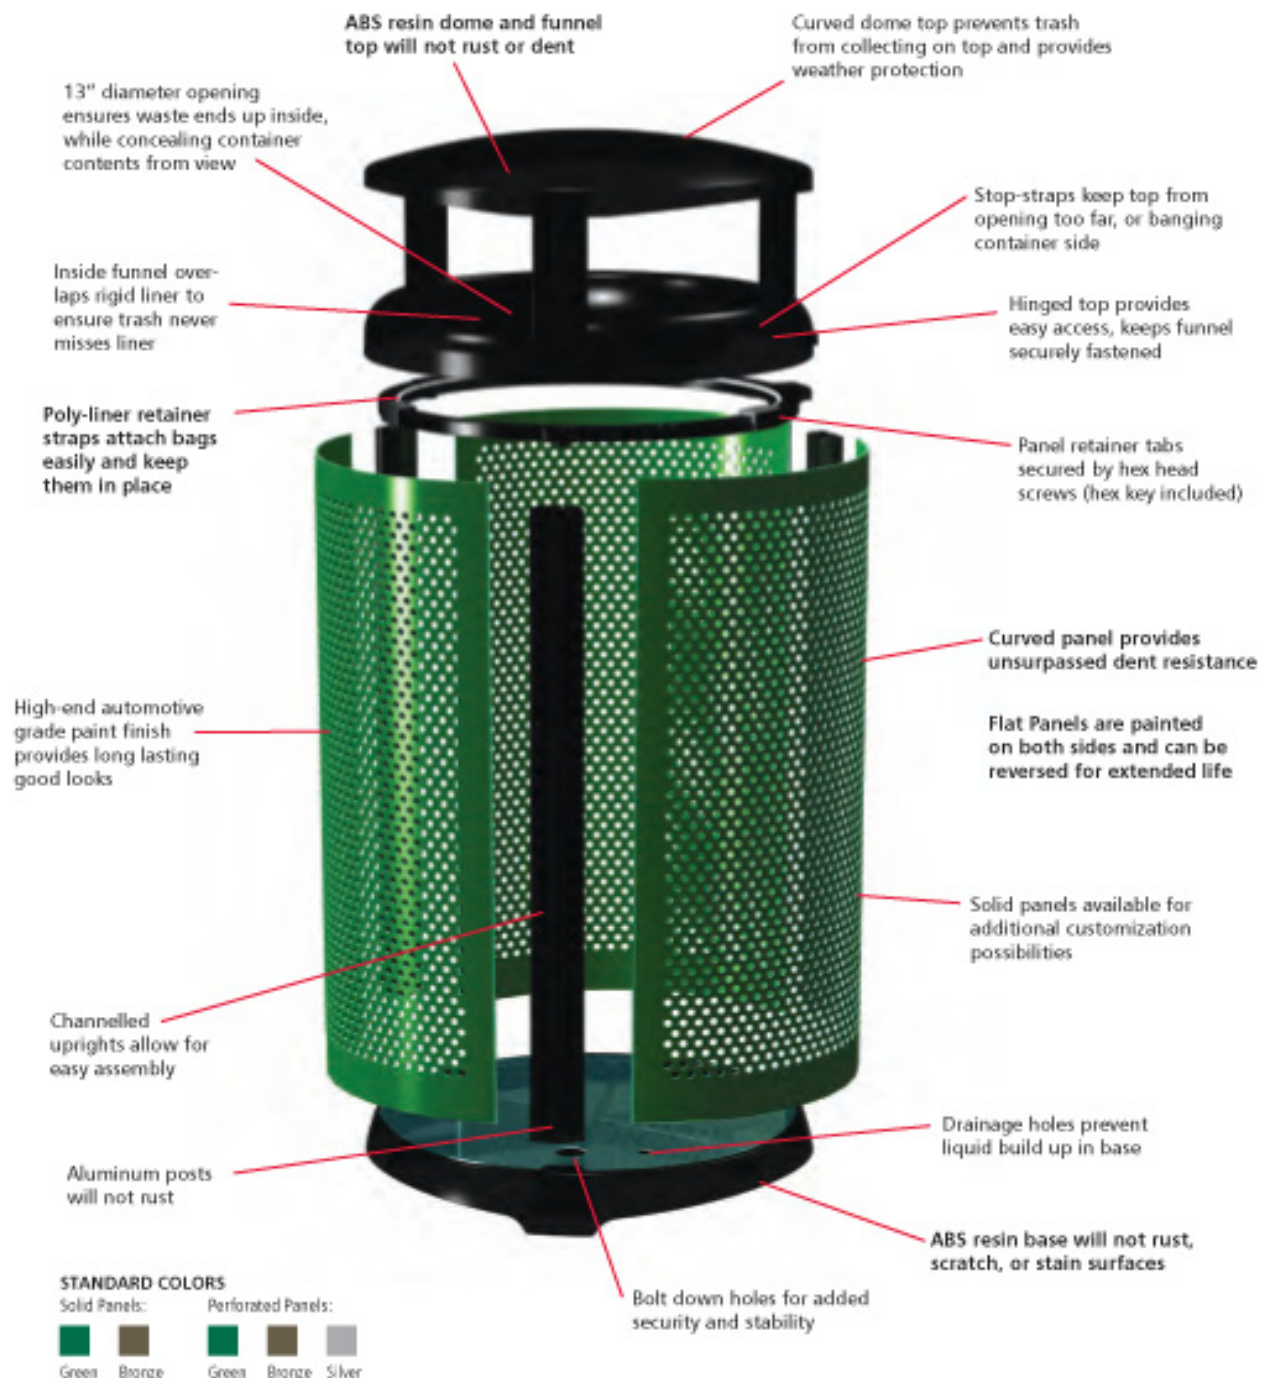

SLEEK, MODERN STYLING

Durable high-luster finishes make Infinity the smart choice for your public spaces. For inside or outdoor applications, automotive-grade paints start off strong, and have lasting good looks.

Shown in standard finishes Green, Bronze and Silver.

3 STANDARD COLORS: GREEN, BRONZE & SILVER

Style, Performance, Durability

...and Customization!

CHOOSE FROM OVER 150 COLORS FOR A CUSTOM DESIGN

Special orders of 25 containers or more qualify for custom colors and logo treatments. Long lasting, durable automotive grade finishes present your facility identity for years to come. Ask your sales rep for more details.

**ADD A CORPORATE LOGO
ON CUSTOM ORDERS**

BOLD, DYNAMIC PRESENTATION

The Infinity Custom Design Program turns the refuse container category from a humble necessity into a meaningful opportunity—the opportunity to have your facility look its best while extending your brand message.

From Infinity's standard color options, to more than 150 Custom Colors, to Special Order Colors mixed to your specifications, there is no reason to settle for products that are "close enough" to your corporate identity.

**Infinity Custom
Design orders have
extended lead
times and require a
minimum order
of 25 containers.**

Work Smarter.

9W43 Round Funnel Top & Base Kit with 9W54 32 GAL Perforated Panels, shown in standard Silver finish.

Shown in custom color finishes Aero Yellow, Red Orange, and Blue Streak.

STRONG, MODULAR DESIGN

Intelligent engineering, optimal materials and replaceable panels make Infinity waste receptacles the best in their class—a smart and lasting value.

...OR CHOOSE FROM MORE THAN 150 CUSTOM COLORS

Custom colors have extended lead times and require a minimum order of 25 containers.
