

“WHITE MAGIC”

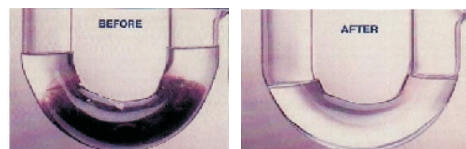

A caustic drain opener that dissolves soap, grease, sludge, paper, cloth, hair and tree line roots. Use in sinks, toilets and floor drains.

Applications: Hotels, motels, restaurants, industrial and commercial establishments.

Directions / Dilutions: Always pour directly into a cold drain, do not add water to drain opener until process is completed, otherwise a violent reaction will occur. Flush with plenty of cold water after drain has been opened. Do not mix with any other chemicals.

Laboratory Analysis:

Appearance:	White, milky liquid
Odour:	No odour
Corrosion:	Extremely corrosive
Solubility:	Water soluble
p.H.:	13.5

Packaging: 12 X 909 mL bottles

Evaluated and accepted for use in Registered Establishments by the Government of Canada, Canadian Food Inspection Agency.
