

LED ROPE LIGHTS are designed to add ambiance to any occasion or setting at a fraction of the cost of incandescent rope lights. Suitable for both indoor and outdoor applications, these durable LED rope lights come equipped with mounting clips and screws for hassle free installation. For clean-cut lines, consider using the LED rope channel where the rope light slides directly into the channel creating a straight line.

Features and Benefits

- Easily extendable - safely connect up to 256 feet (78.03 m)
- Water and weather resistant
- Energy efficient
- Long life - no cumbersome and tedious replacements
- Anti-UV material integrated into rope jacket to avoid discoloration
- Equipped with surge protecting fuse

Warm White

Width = 1/2 in. (13 mm)
Height = 1/2 in. (13 mm)

Cool White

Width = 1/2 in. (13 mm)
Height = 1/2 in. (13 mm)

Red

Width = 1/2 in. (13 mm)
Height = 1/2 in. (13 mm)

Blue

Width = 1/2 in. (13 mm)
Height = 1/2 in. (13 mm)

Green

Width = 1/2 in. (13 mm)
Height = 1/2 in. (13 mm)

LED rope light includes:

- 1 12' or 18' durable LED rope light
- 6 or 9 wall mounting clips
- 12 or 18 screws

Power cord (61156) not included
