A LESSON IN HISTORY
From the people who made it.

Sprayway was founded in 1947 and introduced the first pressurized glass cleaner sold in the United States. Since then, Sprayway has been providing top quality aerosol products worldwide. Our team emphasis is on continuous improvement and cutting-edge technology so that we can provide our customers the highest quality products and packaging available. Today, Sprayway stands alone as a premier and best selling aerosol product line in the United States. We formulate over 100 products that are sold to over 20 different markets both nationally and internationally. Our in depth product line enables Sprayway to provide customers a fully integrated aerosol supply program. As we enter the new millennium, it is our pledge to continue to deliver both quality products and quality service and be proactive to the challenges of growth that confronts our customers on a daily basis.

more than just the world's
BEST GLASS CLEANER

PRODUCT TECHNICAL DATA SHEET

050 glass cleaner

DESCRIPTION:

For cleaning and polishing glass, mirrors, windshields and windows. This easy-to use, fast acting product uses a clinging foam to break up soils and hold them - even on vertical surfaces. There is no dripping, no running and no streaking. With an exclusive formulation using denatured alcohol and no ammonia, this product cleans thoroughly, dries quickly, requires no rinsing and leaves a pleasant, fresh aroma.

USES:

Spray on and wipe off to remove fingerprints, dust, dirt, lipstick, smoke film and other common soils from: windows, mirrors, windshields, glass surfaces.
