

“BLAST”

A germicidal de-limer and toilet bowl cleaner. Cleans and removes lime, rust and scale.

Applications: Toilet bowls and urinals

Directions / Dilutions: Apply two to three oz. of *Blast* to swab and brush under rim of toilet bowl until clean and rinse with plenty of water. For descaling and removal of rust, use as is on area to be cleaned. Always rinse well with lots of water. Do not use on chrome or stainless steel. Contains hydrochloric acid.

Laboratory Analysis:

Appearance:	Brownish colour
Flammability:	Non flammable
Solubility:	Water soluble
Freezing Point:	-20°C

Packaging: 12 x 909 mL containers
