Hot
Water
Now.

EMERSON
Appliance Solutions

Tea Now.
Lobster Now.
Loose Lids Now.
Seriously, Now?

● **You'd be surprised** how useful a little hot water can be. Whether you're cooking, cleaning, or just having a cup of tea, the InSinkErator® instant hot water dispenser makes it happen. Now.

● Near-boiling water? Right where you need it? Right when you need it? Cool.

The InSinkErator instant hot water dispenser sits right on the edge of your kitchen sink, the perfect complement to your faucet. Ready to dispense hot (200°F) water at your command. So simple. So useful. Once you use it, you'll love it. Instantly.

- 
- What can you do with this instant hot water dispenser?
What **can't** you do?

Eat

Cook pasta al dente, blanch vegetables, melt chocolate, thaw frozen foods, serve hot cereals and instant potatoes, make lump-free gravy, rehydrate dried foods, easily peel fruits and vegetables, warm an ice cream scoop, and prepare pie crusts and breads.

Drink

Serve the perfect cup of tea, prepare gourmet coffee, thaw frozen juice, and make hot chocolate.

Clean

Loosen baked-on food, remove stubborn lids and labels, clean wax from candle holders, rinse residue from vases, clean out recycling containers, and bring sparkle back to silverware.

Nurture

Prepare baby bottles and foods, make a hot compress, use steam to help sinus congestion, clean without harsh chemicals, and pamper tired feet.

- But it doesn't stop there.

Series 2200 and Series 1100

With InSinkErator instant hot water dispensers you'll get more than just a beautiful looking faucet, you'll get a complete, finely engineered system.

2215 Country

Classic. Tasteful. Inviting.
A relaxing warmth of style
for the bustle of the kitchen.

2200 Victorian

Ornate. Distinctive. Refined.
The technology looks forward,
the style harkens back.

All Series 2200 & 1100 dispensers, combined with our stainless steel tank and filter system (SST-FLTR), feature:

Durable all brass dispenser construction • 200°F (near-boiling) water • Cool filtered water (F-HC2215, F-HC2200, F-HC1100)

Automatic shut-off of hot water • NSF® listed • 5-Year *We Come To You™* in-home warranty • Choice of 12 designer finishes (chrome shown)

InSinkErator designer finishes

Hoping to find the right match
for your kitchen? It won't be hard.
Our designer finishes offer
something for everyone.

A quick peek under the sink.

Hot water makes its way from the supply line to the tank to the dispenser in the blink of an eye.

Stainless Steel Tank

- Stainless steel construction for longer life
- Easy to adjust temperature
- Tool-free tank connections and dry start protection
- Compact 2/3 gallon tank
- 60 cups/hour of 200°F (near-boiling) water
- Compatible with all InSinkErator dispensers
- Uses standard 115 volt outlet
- NSF® and UL listed
- 3-year *We Come To You™* in-home warranty

Water Filtration

- Specially designed for InSinkErator instant hot water dispensers
- Reduces chlorine taste and odor
- Reduces lead, mercury, cysts and dangerous chemicals (F-601R)
- Sanitary, quick-change filter cartridge
- Automatic shut-off during cartridge replacement
- NSF® listed
- 1-year warranty
- Compatible with refrigerators, ice makers, and other dispensers

- **Easy to install. Easy to replace.**
All of our instant hot water dispensers fit a standard 1.5 inch hole on the sink or the countertop. Which makes them an easy addition to any kitchen or replacement for any existing hot water system.

TranScape™ Line

- Hot water, instantly? How does that work?

It's actually pretty simple. Water comes up from your supply line into our specially designed filtration system. From there it travels to the stainless steel tank, where it's heated to 200°F. As the water is used, more water replaces it in the tank. Voilà. Done.

Want to know more about what goes on under the sink? Check under the flap.

View™

Clean. Understated. Transitional.
And the perfect complement
to any kitchen.

Wave™

Graceful. Simple. Fluid.
A seamless blend of modern
and traditional.

All TranScape dispenser and tank systems include:

Compact, all metal dispenser construction • 200°F (near-boiling) water • Cool water (HC-View and HC-Wave) • Automatic shut-off of hot water • NSF® listed • 3-Year *We Come To You*™ in-home warranty • Choice of Chrome (shown) or Satin Nickel finish

- ***We Come To You*™**

If you ever have a problem with your instant hot water dispenser, just give us a call at 1.800.558.5700 and we'll come to you. No disassembling or mailing in parts. Just a friendly InSinkErator representative at your home, at your service.
