description

This Environmental Printed Xpressnap® Dispenser Napkin makes it easy for you to show your customers that you care about the environment. The green messages ring true on a 100% recycled (90% post-consumer), EcoLogo - certified natural napkin, ("Save the environment, one napkin at a time" and "Made with 100% recycled material"). Its one-at-a-time napkin dispensing design ensures that patrons use fewer napkins and touch only the napkin they use improving personnel hygiene. Plus, one-at-a-time dispensing helps decrease consumption, so you'll reduce the number of cases you need to store. Xpressnap® napkins are larger than major competitor interfolded napkins offering strength, absorbency and quality to users. One napkin-at-a-time dispensing provides up to a 25% reduction in napkin usage. Smaller than standard napkin cases offers storage savings of up to 50%. Inner bag packaging ensures superior product quality while protecting unused napkins. Made from 100% recycled fiber and a Bleach-free process and 90% post-consumer content. Meets EPA guidelines for post-consumer content (Minimum 40% Post Consumer Content) offers environmental benefits and a positive image builder.

EcoLogo Certified.
