description

Elevation

Tork Elevation dispensers simplify and complement any environment, providing a clean, hygienic appearance. Our new design ensures easy and intuitive maintenance, refilling and use. The Tork Xpress Dispensing System for interfolded hand towels works best for environments that demand both comfort and hygiene. The slim design saves space, and one-at-a-time dispensing means you touch only the towel you use - no cross-contamination from levers or cranks. Plus the hygiene shield protects your towel until used. This full-size dispenser is ideal for healthcare facilities, as well as upscale restrooms in hotels, restaurants and office buildings. Replaces 301082A and 552028A. Also Available in White 552020.
