- Mounting bracket for wall or ceiling installation included (KCH-B)
- Mounting brackets allow 360° rotation of the unit (KCH-WB)
- 1-year warranty against defects

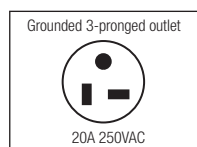

Meets new CSA standards!

**The KCH is a high power economy model portable heater** designed to provide a back-up heating source at an affordable price. Perfectly suited for the workshop, garage or construction sites, the wall bracket makes the KCH wall or ceiling mountable with 360° full rotation capability. The convenient 6 foot cord allows greater mobility to areas needing heating, while the handle serves as a reel for the cord when not in use. Easily set the desired temperature with the built-in thermostat. A high-limit temperature control with automatic reset provides overheat protection. With a 300 cfm fan, heat is dispersed efficiently. Standard color: almond. 240 Volt Single Phase. One year warranty.

## SELECTION:

MODEL	UPC #093319 PART #	DESCRIPTION
