

Eco Easy Fill

Portable dilution system

EASY AS 1-2-3!

Easy to use and set up. Just insert the straw into the container, screw on the Eco Easy Fill dispenser then connect to a water source and your portable dilution system is ready to use!

SAFE

Safety through the integrity of the system in preventing leakage and exposure. Designed to simplify work and eliminate spills that can be dangerous to the user.

ECONOMICAL

Eliminates the risk of spills which prevents chemical loss and promotes a cost effective use of the chemical. The accuracy of the dilution in precise and foolproof dilution of chemical concentrates eliminates waste.

ENVIRONMENTAL STEWARDSHIP

Designed to prevent accidental discharge of concentrates.
