

Oxy-Q

One product does it all!

Choosing your cleaning product has never been as simple. When it comes to cleaning, less is always more. Why not simplify your cleaning process by reducing the number of products required to complete your task? Oxy-Q combines the power of hydrogen peroxide with a disinfectant, creating a non-toxic, complete cleaning solution. Oxy-Q has limitless cleaning options: hard surface cleaner, floor cleaner, carpet cleaner, washroom cleaner, degreaser, disinfectant, and deodorizer. Dilute it according to your application — one product does it all.

- Over 500 applications
- 97% of your cleaning needs addressed in one bottle
- SKU reduction
- Sustainable solution, safer than chlorine bleach
- Cleans, degreases, deodorizes and disinfects
- Safe for all washable surfaces
- Leaves windows sparkling clean
- Floor-to-ceiling cleaning solution
- Great carpet stain remover
- Non-toxic

Dilutions:

Disinfectant	1:20
ECOLOGO (UL 2794)	1:80
Hard surface cleaner	1:80
Floor and carpet cleaner	1:160
Glass cleaner	1:256

Powered by oxygen

Unlike chlorine bleach, hydrogen peroxide is simply water with an extra oxygen molecule. It breaks down into oxygen and water, therefore is kind to the environment. Oxy-Q is an oxidizing multi-purpose cleaner that will redefine the way you clean. You will not only achieve outstanding cleaning performance, but also peace of mind of knowing that you are using a safe, non-toxic, ECOLOGO Certified product.
