

LED Bell shape Luminaires

The LED high Bay Bell Shape luminaire are the perfect option for either new or retrofit applications. Designed for high ceiling application, this series of high efficiency LED luminaires ensures proper light distribution. This is a great solution to replace the 400 W HID Luminaires on top of that they require no maintenance. Their cooling systems reduce the heat emissions, making them the ideal luminaire for any layout.

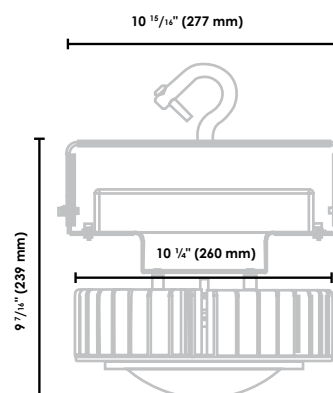

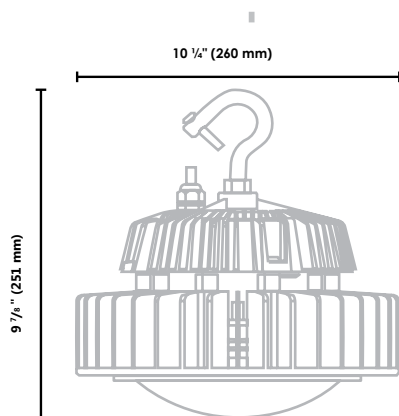

120 V

347 V

Order code	Description	Watts (W)	Volts (VAC)	Colour temp. (K)	Light output (lm)	Lumens per watt (lm/W)	CRI	Life L70 (hrs)	Beam angle (°)	Dimmable	Case qty (master)
