# POWERUP™ 14

14" Upright Vacuum  
with HEPA Filter  
& Dual Power

*Dual motor and dual switch operation for greater vacuum capability.  
HEPA filtration for healthier environments and improved air quality.*

# POWERUP™ 14

## 14" Upright Vacuum with HEPA Filter & Dual Power

Complete on-board tool kit, including telescoping wand, dusting brush, and crevice tool

Improved air quality, HEPA filter removes 99.97% of airborne particles at a size of 0.3 microns

Expanded wheel base and locking foot pedal to maximize stability in upright position

**Light weight and durable, the PowerUp™ 14 combines dual motor power and HEPA filtration to create the best option for carpet care!** The ergonomic design and light weight construction make this vacuum easy to maneuver around any obstacle. Complete with a comprehensive on-board tool kit, the PowerUp™ 14 is ready to meet the most demanding carpet requirements. **Improve air quality with the 99.97% effective HEPA filter.** Operate under normal soil conditions in the low power mode. For heavier debris, such as ice melt or on mats power up in the high speed mode to increase the air movement.
