

36C03 (U) -333 and -433 Universal Combination Controls Cross Reference Chart

Manufacturer	Competitor Part Number	Comments
--------------	------------------------	----------

36C03-333

Robertshaw	700-101	Regulator of replacement is set at 3.5 W.C.; requires use of reducer bushings (included)
Robertshaw	700-102	Replacement requires use of reducer bushings (included)
Robertshaw	700-402	
Robertshaw	700-419	May require use of reducer bushings (included) and LP conversion kit (F92-0737)
Robertshaw	720-402	Replacement has no side outlet and has 1/2" inlet and 3/4" outlet
Honeywell	V800A 1070	
Honeywell	V800A 1484	Order F92-0737 regulated LP kit to achieve 11.0 regulation of replacement
Honeywell	VR8300A 3500	

36C03-433

Robertshaw	700-105	Regulator of replacement is set at 3.5 W.C.; may require use of reducer bushings (included)
Robertshaw	700-106	Replacement may require use of reducer bushings (included)
Robertshaw	700-185	Regulator of replacement is set at 3.5 W.C.; may require use of reducer bushings (included)
Robertshaw	700-401	Regulator of replacement is set at 3.5 W.C.; may require use of reducer bushings (included); no side taps
Robertshaw	700-404	Replacement may require use of reducer bushings (included); no side taps
Robertshaw	700-405	Regulator of replacement is set at 3.5 W.C.
Robertshaw	700-407	Regulator of replacement is set at 3.5 W.C.; may require use of reducer bushings (included); no side taps
Robertshaw	700-411	Replacement requires use of LP conversion kit (F92-0737); may require use of reducer bushings (included); no side taps
Robertshaw	700-412	Replacement may require use of reducer bushings (included) and LP conversion kit (F92-0737); no side taps
Robertshaw	720-404	36C03-433 uses HO6E-36 thermocouple
Honeywell	V800A 1088	
Honeywell	V800A 1492	Order F92-0737 regulated LP kit to achieve 11.0 regulation of replacement
Honeywell	VR8300A 3518	36C03-433 uses HO6E-36 thermocouple
Honeywell	VR8300A 4508	
Honeywell	VR8300A 4516	36C03-433 uses HO6E-36 thermocouple
Honeywell	VR8300M 4505	

36C03U-333

Honeywell	VS820A 1336	
Honeywell	VS820A 1047	
Robertshaw	700-502	36C03U-333 has 1/2" inlet and 3/4" outlet
Robertshaw	700-504	
Robertshaw	700-503	Install F92-0737 kit to achieve non-regulated setting

36C03U-433

Robertshaw	700-506	36C03U-400 is also available, 36C03U-400 has no LP kit or bushings
Robertshaw	700-511	Replacement valid for vented applications only
Robertshaw	700-512	Replacement valid for vented applications only
Robertshaw	700-515	Requires use of LP kit (included), replacement valid for vented applications only
Honeywell	VS800A-1054	
Honeywell	VS800A-1336	
Honeywell	VS800A-1054	
Honeywell	VS800A-1336
