Highest depth of gloss. Up to 10X faster.

Dual-direction floating head at high RPM produces the highest gloss.

Delivers uniformity and excellent reflection.

Aggressive down pressures up to 710 lbs. hones and polishes in as little as 1-2 passes.

Auto scrubbers can take 10 or more passes.

Enjoy years of safe, low emission operation.

Tough 1/4" aluminum frame carries a "concrete grade" gearbox and durable 22HP EPA/CARB certified engine.

Do more projects that make you shine.

The CP30's aggressive action, as part of Betco's exclusive Crete Rx™ concrete system, builds unmatched depth of gloss in the shortest amount of time. This will allow you to complete more projects and shine in the process.

Applications:

- Previously polished concrete and terrazzo floors
- Restorative honing
- Interim maintenance polishing
