

FINISH® Dishwasher Cleaner

DISHWASHER CLEANER

Finish® Dishwasher Cleaner makes cleaning your dishwasher easy by fighting grease, limescale and odour in the hidden parts of your machine. It works by safely and effectively breaking down and removing mineral build up that's inside your machine, including hard-to-reach parts like the heating element and sprayer arms. Cleans, freshens, & helps maintain your dishwasher. Use Finish® Dishwasher Cleaner once a month, or as soon as you notice build up in your dishwasher for optimal results!

Features & Benefits

- Removes hard water stains & lime scale build up.
- Cleans the hidden & vital parts of your dishwasher including spray arms & filter.
- Powers away grease & freshens your machine.
- New FINISH® Dishwasher Cleaner Pouches cleans your machine while your machine cleans your dishes.

FINISH® Dishwasher Cleaner

Use Instructions

Liquid:

- Make sure to NOT remove the cap and that your dishwasher is empty.
- Remove the sticker from the top of the bottle.
- Place the bottle upside down inside the silverware basket or in a secure position.
- Run on heavy or hot cycle.
- After full cycle is complete and dishwasher is off, remove bottle and discard.
- For heavy build up a 2nd application may be necessary.

Pouches:

- Insert dishwasher cleaner into a full dishwasher.
- Run machine as normal for full load.
- No extra wash cycle is required, use during your regular load of wash cycle.

For optimal results, use once a month.
