Search "Betco" at www.canada.ca/en/health-canada/services/drugs-health-products/disinfectants/covid-19/list

GE Fight Bac™ Wipes

Broad Spectrum Hospital Disinfectant

Disinfectant with the environment in mind.

GE Fight Bac™ Wipes kill over 99.9% of bacteria and viruses in 5-minute contact time. Formulated with a botanical active ingredient, citric acid, and free from harsh chemicals, this product provides superior disinfection.

THE BENEFITS OF A CITRIC ACID ACTIVE INGREDIENT:

PERFORMANCE: Cleans without streaks or residue while achieving hospital-grade efficacy with low contact times.

ENVIRONMENTALLY FRIENDLY: Effective, plant-powered formula is certified by Green Earth standards.

SAFETY: Citric Acid-based solution is non-irritating and no harsh fumes for the user. Also gentle on equipment making it an excellent choice as a cleaner.

VERSATILITY: GE Fight Bac Wipes will leave little to no residue compared to traditional quat disinfectants on Plexiglass®.

WHERE TO USE:

- Classrooms, including desks and computer surfaces
- Acrylic (Plexiglass®) dividers
- Restroom disinfection
- Hospitals and nursing homes
- High-touch surfaces, including smart phones
- Most other hard non-porous surfaces

AVAILABLE IN:

392F1-07: 4 x 500 Wipes Bucket, 5.5" x 7" sheet size
 392F5-07: 1 x 1500 Wipes Big Bucket, 11" x 7" sheet size

Industry-best product performance - Green Earth® products must meet or exceed traditional products. This performance is verified by third-party lab testing or testing designed and performed in Betco® laboratories.
