DB24 (28564)

THE PLASTIC STORY

The single-use plastic ban in Canada has made customers search for cleaning solutions with a reduced environmental impact and that produce less waste. Because of this initiative, Dustbane's product offering has been continuously evolving so we can work with our customers towards a greener future.

Now, we're taking a new, more sustainable approach to heavy-duty cleaning. The **DB Series** offers a full lineup of commercial and industrial vacuums manufactured with **up to 75% recycled plastic**. These new eco-friendly vacuums have been created with high quality recycled plastic, promoting sustainable development and environmental protection. The same quality and lifespan as standard vacuums but with a greener commitment, here to help you get the job done.

Not just designed for the user, but for the planet too!
Here's just some of the ways the DB Series can help you reduce your environmental footprint.

- Strictly selected plastic waste, tested for maximum durability
- Primarily sourced from bottles and jugs
- Optimal energy savings with reduced sound pressure levels for daytime use
- Powerful filtration system to capture harmful, airborne particles

Clean smarter, better, and healthier by putting the planet at the forefront of your cleaning program.

Visit www.dustbane.ca/sustainability to learn more ways you can help.

DURABLE, INNOVATIVE & EFFICIENT.

Discover the features and benefits of the latest generation of Dustbane vacuums.

EASY TO OPERATE

Designed to be used with minimal installation and effort.

INCLUDED TOOL KIT

Ready when you are! Start using your new DB vacuum right away with the ergonomic tools and accessories to tackle every mess and every surface.

COST EFFECTIVE

Powerful suction means more cleaning with less effort, providing energy savings that can't be beat.

IMPROVES AIR QUALITY

Feel better about cleaning knowing that the DB Series' vacuums contain a highly efficient filtration system designed to improve indoor air quality.

THE POWER OF A SANIFILTER

Vacuum filters are kept in warm, dark enclosures within the unit, making them the ideal colonization environment for reproducing microorganisms. This makes an ordinary vacuum filter a bacteria-infested and potentially hazardous component that just releases these toxins back into the air when the vacuum is turned on.

Sanifilters contain an antibacterial treatment that destroys cell membranes of different fungi, viruses or parasites, promoting a safer space for your facility. **The sanifilters available with the DB Series' vacuums are effective in inhibiting and eliminating the following microorganisms:**

- Staphylococcus aureus
- Salmonella
- Shigella
- Aspergillus Niger
- Dust mites
- Escherichia Coli
- Listeria Monocytogenes
- Bacillus cereus
- Avian influenza
- Klebsiella pneumonia
- Pseudomonas aeruginosa
- Clostridium diccicile
- and many more!

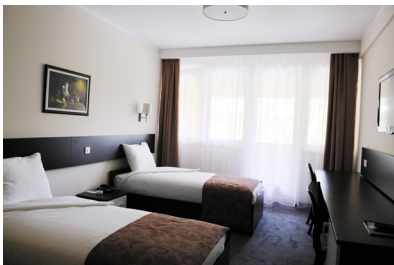

SUSTAINABLE, PROFESSIONAL DRY VACUUMS

Dry vacuums could be used anywhere from hotels, restaurants, office buildings, to retail stores and commercial properties. The DB3 and the DB4 are fully-equipped vacuums, perfect for a variety of light to medium-duty jobs and take up minimal storage space with their compact size, integrated cable wrap and tool holder.

DB3 & DB4 Dry Vacuums

- 1 Sturdy plastic for aggressive movements
- 2 Non-marking rubber wheels
- 3 Convenient carrying handle
- 4 Side protectant against doors and walls
- 5 Integrated cable wrap
- 6 Industrial-strength clamps

Specifications	DB3	DB4
Model Number	28560	28561
Vacuum Type	Dry	Dry
Tank Capacity	3 Gal (12 L)	4 Gal (16 L)
Power	1.20 hp (900 W)	1.74 hp (1300 W)
Airflow	118 cfm	118 cfm
Amps	6.5 A	8.5 A
Voltage	110-120 V	110-120 V
Vacuum Motor	1-stage	2-stage
Water Lift	89" (226 cm)	105" (266.7 cm)
Power Cord	28' (8.5 m)	28' (8.5 m)
Hose Length	6' (1.8 m)	8' x 1 ¹ / ₃ " (2 m x 36 mm)
Weight	13 lbs (5.8 kg)	17.6 lbs (8 kg)
Sound Pressure Level	63 dB	65 dB
Approval(s)	cUL	cUL
Tool Kit	Included	Included

SMALL, BUT MIGHTY

Our most versatile vacuum, perfect for a variety of commercial or industrial facilities! The premium motor allows the DB7 to draw aggressive wet and dry abrasion from floors. Damage-resistant construction built for everyday use or large jobs.

DB7 Wet/Dry Vacuum

- 1 Sturdy plastic for aggressive movements
- 2 Non-marking rubber wheels
- 3 Convenient carrying handle
- 4 Side protectant against doors and walls
- 5 Integrated cable wrap
- 6 Industrial-strength clamps
- 7 On/Off Switch with seal to protect against water
- 8 Dolly with an incorporated tool holder to promote perfect balance and organization

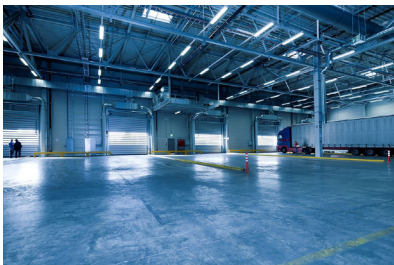

Specifications	DB7
Model Number	28562
Vacuum Type	Wet/Dry
Tank Capacity	7.1 Gal (27 L)
Power	1.74 hp (1300 W)
Airflow	118 cfm
Amps	8.5 A
Voltage	110-120 V
Vacuum Motor	2-stage
Water Lift	105" (266.7 cm)
Power Cord	28' (8.5 m)
Hose Length	8' x 1 ¹ / ₃ " (2 m x 36 mm)
Weight	23 lbs (10.5 kg)
Sound Pressure Level	65 dB
Approval(s)	cUL
Tool Kit	Included

DEFEAT TOUGH DIRT WITH A TOUGHER VACUUM

There’s no job that the DB24 can’t handle. This 24-gallon wet/dry vacuum boasts an integrated drainpipe that’s ideal for efficient disposal after use. The outstanding combination of features that the DB24 has to offer makes for a productive clean without the need to frequently empty the vacuum.

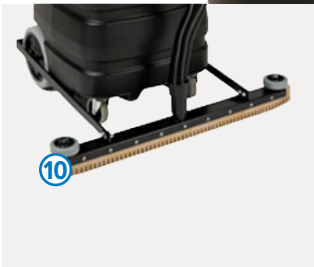

DB24 Wet/Dry Vacuum

- 1 Built with tough polyethylene rotationally molded tanks
- 2 Non-marking rubber wheels
- 3 Convenient carrying handle
- 4 Side protectant against doors and walls
- 5 Integrated cable wrap
- 6 Industrial-strength clamps
- 7 On/Off Switch with seal to protect against water
- 8 Dolly with an incorporated tool holder to promote perfect balance and organization
- 9 Drainpipe for quick disposal
- 10 Optional Front Mount Squeegee

Front Mount Squeegee For the DB24

Code: 3SPPV28248

Specifications	DB24
Model Number	28564
Vacuum Type	Wet/Dry
Tank Capacity	24 Gal (90 L)
Power	1.6 hp (1200 W)
Airflow	101 cfm
Amps	9 A
Voltage	110-120 V
Vacuum Motor	2-stage
Water Lift	87" (220 cm)
Power Cord	28' (8.5 m)
Hose Length	8.2' x 1 1/2" (2.5 m x 38 mm)
Weight	45 lbs (20 kg)
Sound Pressure Level	68 dB
Approval(s)	cUL
Tool Kit	Included

TOOLS & ACCESSORIES

STANDARD (INCLUDED)

Do All Tool
For the DB7 & DB24
Code: 3SPPV43051

Carpet Tool
For the DB7 & DB24
Code: 3SPPV43050

2-In-1 Floor Tool
For the DB3 & DB4
Code: 3SPPV01990

Crevice Tool
For the DB Series
Code: 3SPPV28242 (DB3/DB4)
Code: 3SPPV00156 (DB7/DB24)

Round Brush
For the DB Series
Code: 3SPPV28243 (DB3/DB4)
Code: 3SPPV43052 (DB7/DB24)

Extension Wand
For the DB Series
Code: 3LAFN28238 (DB3/DB4)
Code: 3LAFN43048 (DB7/DB24)

Pistol Grip
For the DB Series
Code: 3LAFN85073 (DB3/DB4)
Code: 3MPVR43047 (DB7/DB24)

Upholstery Tool
For the DB3 & DB4
Code: 3MPVR00141

Adapter for Small Accessories
For the DB7 & DB24
Code: 3MPVR43049

Filtering Kit / Cartridge
For the DB Series
Code: 3FTDP00075 (DB3)
Code: 3KTRI03023 (DB4)
Code: 3KTRI02943 (DB7)
Code: 3FTDP28733 (DB24)

OPTIONAL (SOLD SEPARATELY)

HEPA Cartridge Kit
For the DB7 & DB24
Code: 3FTDP00657

Washable Cartridge Kit
For the DB7 & DB24
Code: 3FTDP00654

Microfiber Bag (10/Pack)
For the DB24
Code: 3KTRI04796 (DB24)

Paper Bag (10/Pack)
For the DB3, DB4, DB7
Code: 3KTRI02732 (DB3)
Code: 3KTRI02639 (DB4)
Code: 3KTRI03035 (DB7)

Polycarbon Prefilter
For the DB7 & DB24
Code: 3FTDP00222 (DB7)
Code: 3FTDP00223 (DB24)

Vision

To be a growth company focused on continuously improving the customer experience through our people, products, and processes while making a positive impact on society and the environment.

Customer Intimate

Meet customer expectations.

Execute

Deliver results.

Growth

Be a high growth company where staff also grow professionally.

Respectful & Inclusive

Show all stakeholders respect.
Communicate effectively and listen
to learn from others.

Meaning

Positively impact people and the planet.
