

Recover Floor Stripper

LVT/Multi-Surface Stripper

Elevate Recover provides unmatched protection against discoloration and removes multiple coats of metal interlock acrylic floor finish. Recover is safe on LVT, sheet vinyl, rubber, linoleum and most other low/No maintenance floors. This low odor, no rinse stripper is easy to work with and is perfect for use in all types of markets especially healthcare, education and retail.

Features

- Safe for LVT, sheet vinyl, linoleum, rubber and most all no/low maintenance floors
- Safely removes multiple coats of finish
- Low Odor
- Low pH

Available In

4 - 1 Gal. Bottles Item #168404-00

Directions for Use

Recommended for top scrubbing or removing multiple coats of water-based acrylic floor finish from luxury vinyl tile, rubber, sheet vinyl, linoleum and other properly prepared hard surfaces. Sweep or dust mop floor to remove any large debris. For initial top scrub or light to medium stripping, dilute 12 oz. /gal. (1:10). For heavy stripping, dilute 25 oz. /gal. (1:5) with cool water. Apply solution liberally to floor surface. Allow 10 minutes contact time. Be sure to keep surface wet at all times. Agitate with a low speed rotary machine, automatic scrubber or stripping machine with a maroon pad or similar. Pick up solution with a wet vacuum, automatic scrubber or mop and bucket and thoroughly rinse the floor. Note: On new or factory finished floors top scrub floors with Recover and a maroon pad for best results. See product page at www.betco.com for more information. Allow floor to dry completely before applying finish or sealer. No flood rinsing is necessary if surface appears free of dust and residue. Please recycle empty container.

Tech Specs

Color (liquid)	Water white
Fragrance	Citrus
pH	7.0 - 8.5 pH at dilution
pH	9.25 - 9.75 concentrate
Residue on evaporation	None
Specific gravity	0.99
Warranty	2 years
